The Tom Joyner Foundation® has raised more than fifty-five million dollars to help students attending Historically Black Colleges and Universities stay in school. Each month the Tom Joyner Foundation (TJF) designates an HBCU to receive its support. The scholarships are awarded to the students through the Financial Aid Department at the HBCU based on financial needs and other requirements from the school and the donor. The Foundation provides money directly to the HBCU for the purpose of helping these students complete their education.
